

**Aura - Acrylic Cylinder Pendant Light Fixture.** Aura's slender form is inspired by floating candles in Hogwarts' great hall in the Harry Potter movies. This fixture adds interest to any space. Available in three lengths, Aura's dramatic glowing pipe excels as a design accent but also works for general lighting.

## Light Engine

- Output:** up to 2880lm
- High Efficacy:** up to 77 lumen/Watt
- Color Options (CCT):** 3000K, 3500K or 4000K
- Color rendering (CRI):** 83+

## Installation

- Suspended using aircraft cable. Fully height adjustable
- Factory assembled for easy and fast installation
- Canopy included, fits on standard junction box

## Construction / Finish

- Acrylic shade
- Height adjustable aircraft cable suspension system
- Aircraft cable and electric wire included

## Dimensions
