MADE IN CANADA
PROUD MEMBER OF
5 YEAR WARRANTY
**Construction / Finish**

- High quality, scratch resistant powder coated finish in standard, premium or custom colors
- Aluminum extruded Body
- Made in Canada

**Installation**

- The included canopy fits on a standard junction box
- Height adjustable aircraft cable, feed cable or solid stem suspension (specify height) included
- Electrical feed cable included

**Dimensions**

- Senso metal spun faceted reflectors are specifically designed to retain as much light as possible. This results in a more power efficient fixture with a higher delivered lumen.
Our clients deserve the best information possible about their lighting choices. That's why Senso has invested in the Illuminating Engineering Society (IES) TM 30-15, a new system that measures an LED light source’s color rendering properties. Using Senso’s state-of-the-art goniophotometer, this method identifies the optimal light source for your project and helps evaluate the trade-offs between efficacy and color rendering. Senso can provide TM 30-15 data for all of our products.

Leto 44 Light Distribution

LED Module Performance
- **Output**: Up to 150 lumen/Watt
- **Efficacy**: Color consistency within a 3-MacAdam Ellipse
- **CCT**: 2500K - 6500K
- **Color Rendering**: 90+ CRI
- **Min. R Values**: R° - 60, R° - 90, R° - 100

Driver and Power Consumption
- **Dimming**: 1% dimming standard with 0.1% option
- **Ripple**: Industry leading Low ripple
- **Efficiency**: Power Factor >0.9
- **Efficiency over 85%**
- **Class 2 output for safety**
- **Installation**: Remote mounted
